“ Frank was the friendly energy of our neighborhood. He was always ready to help and always ready with a hug. I enjoyed helping him when he hosted our neighborhood coffee get-togethers in his driveway. Frank was a good cook too, often sharing his creations with me. I will miss my kind neighbor and fun friend. Sharon Wieland

“ My family lived across the street from the Vereecken's in the 60's and 70's and I have great memories playing with Jim & Dan in the "hood". We would use Franks tools to fix our bikes and we spent time each summer with the family at the cottage on Chippewa Lake where Frank made it his "mission" to teach us how to waterski. Thank You for everything you've done and I know You will be missed by many.

“ I had the honor of being Frank's next door neighbor. When I pass I sincerely hope people will feel about me the way all of Frank's neighbors do and will always feel about him.
