“ Yes, whenever I think of him I imagine that sweet smile and that sort of twinkle in his eye

“ My earliest memories of uncle Mike were when I was a preteen and early teen. I sometimes spent the weekend at grandpa and grandma Magoon’s house. I was only three years younger than uncle Mike, so he was OK with me hanging around with him. He would spin 45 RPM records for a while. I remember my sweet lord as one of his favorite tunes at the time. But he also introduced me to other music I wouldn’t have heard at home like Green tambourine and heard it through the grapevine. We also wandered through Cedar Springs, visiting with his friends or buying tons of candy with just a dollar at the drugstore. On hot days we’d go wading and swimming in the Creek down by Main Street. I remember him being strong and athletic. He could do just about anything he chose to do athletically well. I definitely got the Magoon competitiveness in my genes! Thank you Carla, for the care that you provided for him these last year’s. He will be missed.

“ Uncle Mike.. I wish I were better with words & saying how grateful I am that you were in my life. You were a joy to be around with that Magoon quick wit & sense of humor we all know & love. You were always kind to us kids & going to your house in GR was always such a fun adventure. The 1st place I saw a chipmunk, I know, random but it popped in my head as I wrote this. Watching the love you shared with your siblings was always special; ehe bowling, golfing, card playing together. You were there for me as an adult & never judged my stupid early 20’s self. The world is a dimmer place without you & I am thankful that next time I see you that you will be healed. Love you.

“ Slapping knuckles while playing cards - specifically Pinochle... bowling like a boss... bringing chocolate stars to us kids... always teasing with that little chuckle just like my dad does... quiet...always kind. Lots of good memories... grateful. Looking forward to seeing Uncle Mike again, restored.
