I am truly sorry to hear about you moms passing. There are so many of us that have fond memories of Sunday after noon at "Ma Muds" house !

All I ever had to do was stop at North Dorr for a pop after mass and listen to see if the boys were out playing in the mud yet. If you could here them, then it was game on and I had a plan for the rest of the day ! She was always so welcoming to all of us. She was also funny and a good sport.

The times are gone but definitely not forgotten.

“ Aunt Teresa loved the Lord, her family, life, and having fun. She was an amazing woman. Who goes white river rafting in Alaska at her age? She said it was cold! I'll miss her and her craziness. Gods blessing to you all. God received an angel!
